

Class Ten

Aula Dez

Never mind.

Não faz mal / Não importa.

The background is a dark blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular gauge with concentric circles and radial tick marks, resembling a speedometer or a circular scale. In the bottom right, there is a diagram of a circular path with arrows indicating direction. In the bottom left, there is a partial view of a circular diagram with an arrow. In the top left, there is a small circular diagram with a curved arrow.

Next time.

Da próxima vez.

No.

Não.

The background is a dark blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular gauge with concentric circles and radial tick marks, resembling a protractor or a speedometer. In the bottom right, there is a diagram of a circular path with arrows indicating direction. In the bottom left, there is a partial view of a similar circular diagram. The text is centered in the upper half of the image.

Nonsense.

Bobagem / Que nada.

The background is a deep blue gradient with a subtle pattern of white stars and faint geometric lines. In the top right corner, there is a large, semi-circular protractor-like scale with degree markings from 0 to 210. In the bottom right, there are concentric circles with arrows indicating a clockwise direction. In the bottom left, there are dashed lines forming a circular path.

No, thank you.

Não, obrigado/a.

Nothing else.

Nada mais / Mais nada.

The background is a dark blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular gauge with concentric circles and radial tick marks, resembling a speedometer or a pressure gauge. In the bottom right, there is a diagram of a circular path with arrows indicating a clockwise direction. In the bottom left, there is a partial view of a similar circular diagram. The text is centered in the upper half of the image.

Not recently.

Não recentemente.

The background is a dark blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular gauge with concentric rings and numerical markings from 0 to 210. In the bottom right, there is a diagram of two concentric circles with arrows indicating a clockwise flow. In the bottom left, there is a partial view of a similar circular diagram. In the top left, there is a small circular element with a curved arrow.

Okay.

Ok.

The background is a dark blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular gauge with concentric circles and radial lines, resembling a protractor or a speedometer, with numbers from 0 to 210. In the bottom right, there is a smaller circular diagram with concentric circles and arrows. In the bottom left, there is a partial circular diagram with an arrow. The text is centered and has a green-to-blue gradient.
