The background is a gradient from dark purple at the top to dark blue at the bottom, filled with a pattern of small white stars. Overlaid on this are several technical diagrams in white. In the top left, there is a small circular diagram with a dashed line and an arrow. In the top right, a large circular diagram features concentric circles, radial lines, and degree markings from 0 to 210. In the bottom right, another circular diagram shows concentric circles with dashed lines and arrows. In the bottom left, a partial circular diagram with dashed lines and an arrow is visible.

Just a little.

Só um pouquinho.

The background is a gradient of dark blue and purple, speckled with white dots resembling stars. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular scale with degree markings from 0 to 210 and concentric circles with arrows indicating rotation. In the bottom right, there is a diagram with concentric circles and dashed lines, also with rotation arrows. In the bottom left, there is a partial diagram showing concentric circles and a dashed line with an arrow. In the top left, there is a small circular diagram with a dashed line and an arrow.

**Just a moment.**

**Só um momento.**

The background is a deep blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular gauge with concentric rings and numerical markings from 0 to 210. In the bottom right, there is a diagram of a circular path with arrows indicating direction. In the bottom left, there is a partial view of a circular diagram with an arrow. In the top left, there is a small circular diagram with a central dot.

Posso falar com a Sra. Smith por  
favor?

The background is a dark blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several faint, white technical diagrams. In the top right, there is a large circular gauge with concentric rings and numerical markings from 0 to 210. In the bottom right, there is a diagram of two concentric circles with arrows indicating a clockwise path. In the bottom left, there is a partial view of a similar circular diagram. In the top left, there is a small circular diagram with a single arrow.

**More than that.**

**Mais do que isso.**
