

The background is a deep blue gradient with a subtle pattern of white stars and faint, glowing geometric shapes. In the top right corner, there is a large, semi-circular protractor-like scale with degree markings from 0 to 210. In the bottom right, there are concentric circles with arrows indicating a clockwise direction. In the bottom left, there are partial views of similar circular patterns.

The background is a dark blue gradient with a subtle pattern of white stars and faint technical diagrams. These diagrams include concentric circles, arcs, and radial lines, some with numerical labels like 60, 90, 120, 150, 180, 210, and 240, suggesting a circular scale or a technical drawing. The text is centered and rendered in a bold, white, sans-serif font.

The background is a dark blue gradient with a subtle pattern of white stars and nebulae. Overlaid on this are several technical diagrams in a light blue color. In the top right, there is a large circular gauge with concentric circles and radial tick marks, resembling a speedometer or a dial. In the bottom right, there is a diagram of a circular path with arrows indicating direction. In the bottom left, there is a partial view of a similar circular diagram. The text is centered and rendered in a clean, white, sans-serif font.
